We are planning an event at Terry Trueblood, with an alternate location at the East Side Recycling Center in case of bad weather. Eric R has put a deposit of \$40 down for the Terry Trueblood location. This deposit can be refunded up to 3 days before the event. Eric R will be reimbursed for the deposit. Should the deposit be refunded due to poor weather the city will return the money back to Eric R, in which case he will need to reimburse Intergroup.

Intergroup would like to provide meat to be grilled, sides to be brought in a pot luck fashion. Activities will include volleyball, bags, and other water activities.

Should the event be indoors it will be held at the East Side Recycling Center. Nora and Barb will be inquiring about the cost. A main dish of pulled pork will be provided with sides being brought in a pot luck fashion. Activities to include karaoke, dancing, etc.
