Webmaster, Joe

Everything is current. Email from someone from district asked that we don't put the district minutes on the intergroup website.

District liaison, Dillion

Not much to report, the inventory was very productive. Margaret compiled feedback. A motion passed not to post district meetings online.

Group reports:

Matt H, ICYPG

The group is hanging strong, rotating format but some small changes may be coming. Around 50 people attending each meeting. Lots of newcomers. Now using a safety statement from GSO at each meeting which has gotten a lot of good feedback. Fellowship is strong before and after the meeting.

Carolyn, LGBT meeting

Nothing new to report.

Chris, Broadhighway Group

Some newcomers from Prelude, good attendance, standing room only. Nothing else to report

Teresa Rose, Midwest group

Growing really big, the microphone is working well so you can hear in the back. Great range of sobriety. All is well.

Margaret, By the Book

The influx of people from Prelude, probably because of people supporting the treatment meetings. Life is good.

Valerie, Sunday 9:45 meeting

The meeting is well attended, good support, a great meeting. A wide range of sobriety.
